Docket No. MART-12278

**AMENDMENTS TO THE CLAIMS**

Please cancel claims 22-23 and add claims 24-28 as indicated among the following complete set of pending claims:

Claims 1-21 (Canceled)

Claims 22-23. (Canceled)

Claim 24. (New) A lateral-view mirror assembly for a vehicle comprising:

a first lateral view mirror coupled to one of a rear portion and a rear windshield of the vehicle in line of sight with a rear-view mirror of the vehicle; and

    a second lateral-view mirror coupled to one of the rear portion and the rear windshield of the vehicle in the line of sight with the rear-view mirror of the vehicle, wherein:

    an object lateral to one of a passenger's side of a rear end of the vehicle, a driver's side of the rear end of the vehicle and a combination of the passenger's side and the driver's side of the rear end of the vehicle is reflected from the rear-view mirror in response to a reflection of the object from one of the first lateral view mirror, the second lateral view mirrors and a combination of the first and second lateral view mirrors in the line of sight with the rear- view mirror.
